Breve História ...mais

REVISTA MENSAL DA EMBAIXADA DE ANGOLA NO QATAR

A revista mensal de imprensa da Embaixada de Angola no Qatar foi criada com o intuito de fortalecer os laços entre as duas nações, fornecendo um panorama informativo actualizado e relevante acerca de temas de interesse mútuo. Esta revista mensal foi criada para informar as comunidades angolanas sobre informação do Qatar e para as comunidades do Qatar sobre informação sobre Angola.

Optámos por uma solução 100% digital em formato PDF para a publicação, aliando tecnologia e sustentabilidade. Ao evitarmos a impressão física, damos um passo consciente e ecológico na redução do consumo de papel e na diminuição da pegada de carbono.

A divulgação da revista é efectuada através do website oficial da embaixada. Para garantir uma informação de qualidade e relevância, a embaixada realiza uma selecção criteriosa dos principais temas abordados nos jornais de Angola e do Qatar. Cada edição apresenta as capas das notícias destacadas, com hiperligações directas para o conteúdo original. Desta forma, os leitores podem, de maneira simples e intuitiva, clicar na imagem da notícia e serem redireccionados para o jornal de autoria do artigo.

Agradecemos imensamente a sua leitura e esperamos que continue a acompanhar as edições futuras da nossa revista.

MONTHLY MAGAZINE OF THE EMBASSY OF ANGOLA IN QATAR

The monthly press magazine of the Embassy of Angola in Qatar was created with the aim of strengthening the ties between the two nations, providing an updated and relevant overview of topics of mutual interest. This monthly magazine was established to inform the Angolan communities about Qatar and the Qatari communities about Angola.

We have opted for a 100% digital PDF format for the publication, combining technology and sustainability. By avoiding physical printing, we take a conscious and ecological step in reducing paper consumption and decreasing our carbon footprint.

The magazine is distributed through the official embassy website. To ensure quality and relevant information, the embassy conducts a careful selection of the main topics covered in the newspapers of Angola and Qatar. Each edition features the covers of highlighted news, with direct hyperlinks to the original content. In this way, readers can simply and intuitively click on the news image and be redirected to the newspaper that authored the article.

We greatly appreciate your readership and hope you continue to follow future editions of our magazine.
